### **Nature and Scope**

- Operating Christchurch International Airport for commercial and non-commercial aviation users in accordance with its aerodrome licence.
- Providing appropriate Airport facilities including runways, taxiways, turnouts and aprons in co-operation with the Airways Corporation and other airport users and in accordance with actual and forecast market demand.

- Generating non-aeronautical revenue by providing for associated services and facilities meeting the needs of air travellers.
- Promoting Christchurch International Airport as a major destination for international air services, thereby attracting additional in-bound and out-bound flights.

The Company is responsible for 727 hectares of land providing aerodrome facilities for 41,000 scheduled aircraft departures involving approximately 4.3 million passengers and 33,000 tonnes of international freight. It provides a mixture of commercial and industrial buildings to satisfy the accommodation requirements of airport users.
