## Nature and Scope

- Prepare, review, monitor and implement the objectives and policies of the City Plan prepared under the Resource Management Act 1991.
- Monitor the preparation and administration of policy statements and plans prepared by Environment Canterbury and adjacent local authorities.
- Prepare concept plans for urban renewal and environmental improvements of the city, including the Central City, which address the effects of urban renewal on people and communities.
- Provide policy advice on planning and development, conservation, design and heritage, transportation and environmental health issues, that affect the city.
- Develop projects and prepare feasibility studies for achieving the objectives and policies of the City Plan, other than by regulation.
- Administer funds set aside for promoting heritage retention and the removal of non-conforming activities.
- Promote an awareness of the environmental issues and values of the city.
- Process land use and subdivision consents.
- Administer the Building Act and Building Code within the city, including the issue of building consents, code compliance certificates, and annual warrants of fitness.
- Administer environmental health statutes, including food licensing, dangerous goods, sale of liquor, offensive trades and hazardous substances.
- Minimise occurrences that are likely to be objectionable or otherwise affect human health or safety arising from the presence or keeping of dogs and other animals.
- Provide information and advice on planning, building and environmental statutes and regulations, including developing and maintaining the necessary information bases.
- Process applications for land information memoranda.
- Monitor and control adverse environmental effects, including primary responsibility for noise, and shared responsibility for hazardous substances.

A new subdivision takes shape on the Rural Urban fringe.
