

The Capital Endowment Fund

Background

In April 2001, the Council set up a Capital Endowment Fund. This Fund was established using a share of the proceeds from the sale of Orion's North Island gas company.

A sum of \$75M was set aside in the Fund in order to provide an ongoing income stream which can be applied to economic development and civic and community projects.

(The policies relating to the Capital Endowment Fund are contained within the Investment Policy (see pages 191 to 201.)
