5 YEAR CAPITAL EXPENDITURE PROGRAMME

Schedule of Deletions

As part of the preparation of this Plan, some projects have been dropped from the original forward programme. These are listed on pages 22 and 23 together with the reason for the deletion.

Community Board Funded Projects

These are the projects which Community Boards propose to fund in the 2000/01 year. As well as being included in the capital programme, they are also listed separately on pages 93-96.

The Council has allocated \$350,000 to each Board which has complete discretion as to how this money is to be spent. This includes \$50,000 to enable the ongoing funding of community worker positions. The allocation enables Boards to fund projects which may not have been accorded a priority on a city-wide basis. It is made following consultation with each community area.

5 Year Capital Expenditure Programme

Space does not permit details of all projects and readers are welcome to consult the Draft Corporate Plan: 2000 Edition which is available for inspection at all Service Centres and at the Civic Offices.

The 'unspecified projects' relate to the programme as a whole and not to individual units. The provision for years 2, 3, 4 and 5 will allow for yet to be identified projects to be added in the future.

The programme includes a number of abbreviations. The key to these is noted below:
