The map is populated with numerous numbered markers (1-64) indicating the location of specific programmed works. These markers are color-coded according to the legend. For example, blue stars (Carparks) are located at 2, 3, 13, 14, 16, 21, 28, 30, 31, 32, 33, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64. Other markers include orange stars (Fencing), green stars (Parks and Reserves), purple stars (Asset Acquisition), and various other symbols representing different types of works. The map also shows the coastline and the location of the Pegasus River and the Pegasus Estuary.
