

CHRISTCHURCH CITY COUNCIL

Election of ONE (1) Councillor for the Banks Peninsula Ward

Claudia REID

Working for Us - Independent

I believe passionately in Banks Peninsula and the vital role of local government in our daily lives.

As the Chairperson of this first CCC Lyttelton-Mt Herbert Community Board, as a former BPDC Councillor, and as a Lyttelton harbour basin resident for twenty years, I've worked hard to make a positive difference.

With your support I can continue to be your staunch and proactive advocate as Banks Peninsula's City Councillor. I have the experience, knowledge and essential skills to work constructively to convert the major developments that lie ahead into lasting benefits that work for us.

Our new relationship with Christchurch city is off to a positive start. Banks Peninsula needs an able councillor, a hard worker to accept the challenges, carry its voice to the Council table and continue the momentum.

With your vote I can do this.

Vote Claudia Reid - working for us.
