

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Spreydon/Heathcote Community Board

Matthew MACDONALD

Independent

Hello, my name is Matthew and I am looking forward to representing the people of the Spreydon Heathcote Ward. I was born and bred in Christchurch and I am proud to be living in Opawa with my wife and small family.

My vision is to strengthen our community to create a safe and caring environment that all residents can enjoy living in now and in the future. I support commonsense, balanced

and reasonable ideas that work towards making this possible.

Community boards are a great way of getting residents involved in local government. I think that it's important for residents to have effective advocacy, consultation and representation.

As an independent I am only answerable to you. I am a forward thinker that listens to others, consults and will work hard in the best interests of you the ratepayer. I look forward to representing you.
