

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Spreydon/Heathcote Community Board

Phil CLEARWATER

Christchurch 2021

I have enjoyed the opportunity to represent you as Chair of the Spreydon-Heathcote Community Board over the last six years.

The last term has been especially challenging, due to Council restructuring, which I opposed. I campaigned successfully for the retention of our libraries and service centres. I believe residents need to have a say about community issues that

affect them.

I will continue working to ensure Council processes are open and transparent, and that your views count. I want our community to be inclusive and safe from crime.

I will continue to encourage Neighbourhood Support and anti-graffiti projects.

I believe ratepayers are entitled to value for money and more accountability from Council. I will continue to work with residents' concerns including road safety, traffic congestion, lighting, trees, footpaths, parks and children's playgrounds.

As an experienced Community Board member and strong advocate for the community, I would appreciate your support.
