

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Shirley/Papanui Community Board

Tracey DORREEN

Christchurch 2021

I am a strong advocate for public transport, cycleways, safer streets, better lighting, accessible and affordable housing for all, equitable community facilities, and improvements to our deteriorating footpaths. Married with three delightful school-age daughters, I want to ensure that parks and recreational facilities are safe for our children.

I am a woman who has built up considerable community service over many years, and my wish is to continue in this role as a member of the Shirley-Papanui Community Board. I won't make promises that I can't keep, but I will listen to you and help in whatever way I can.

I am hardworking, reliable, conscientious and committed to serving my local community to the best of my knowledge and ability. I am a solutions-orientated person who believes a team approach is the best way forward in our community.

Tracey Dorreen – working with you – working for you.
