Litter Enforcement	Mark Ross	24 September

Issue	Litter Enforcement
Candidate's name	Mark Ross
Request for information (issue or question)	Asked if there was a Litter Enforcement Officer working for the CCC and: 1. What are there main duties 2. Current salary 3. Total value of litter fines laid for the past year 4. Total value of litter fines paid for the past year
Date of response	24 September
Response provided	Two Water and Waste Unit staff are warranted as Litter Enforcement Officers - but generally only issue infringement notices around illegal rubbish bags. They may issue 0 - 6 a month. The time spent on this activity would not even rate at 1% of their time. Once issued these are administered by the Parking Unit.
