Swimming Pool in Rangiora	Peter Wakeman	18 September

Issue	Swimming Pool in Rangiora
Candidate's name	Peter Wakeman
Request for information (issue or question)	What would be the best way to consider and/or helping fund a swimming pool in the Waimakariri District that could reduce Waimakariri people using Christchurch pools yet allow for all Canterbury to have a 50m pool located in Rangiora which would be closer than going to Blenheim?
Date of response	18 September 2007
Response provided	<i>Council's Aquatic Facilities Plan 2006 specifically provides for QEII Park to have a 50 metre indoor pool for local, regional and national use, it also provides for Jellie Park to have a 50m outdoor pool for local and regional use. The community of Rangiora is welcome to use both of these facilities.</i>
