

Issue	Pedestrian crossing Marshlands Rd at Hercules Street
Candidate's name	Tracey Dorreen
Request for information (issue or question)	Wishes to know the status of the possibility of placing a pedestrian crossing on Marshlands Road at the intersection with Hercules Street.
Date of response	30 August 2007
Response provided	A pedestrian crossing at that location has been looked at in the past, but rejected as not appropriate because it does not meet the criteria required for pedestrian crossings. However, proposed developments at the Palms Shopping Centre may have an implication and this is something staff will be monitoring.
