☒ I do NOT wish to make a personal submission at the hearing, and ask that this written submission be considered, I'm disabled. Otherwise I'd attend, gladly.

☐ I wish to talk to the main points in my written submission at the hearings to be held between Tuesday 1 June and Friday 11 June 2004.

PLEASE reverse the City Council's decision not to proceed with the kerbside collection of kitchen waste.

The proposed system of minibins with biodegradable liner bags, for weekly kerbside collection appeals to me as a disabled ratepayer who can see the environmental sense of reducing kerbside waste by 80% within six years (Hazardous Waste Plan, part 2, pg.16, 6.2

The sooner the proposed scheme is implemented, the better. Not doing so underestimates the younger, environmentally aware Ch'ch ratepayer.

Need I remind you this is Local Body Election Year. Let's celebrate the positive Decision Criteria (page 10, same source) through each of us taking a self-responsible attitude to our city, our province, our island, our country, our planet's JUNK HEAPS.

Thank you for your attention.
