I do NOT wish to make a personal submission at the hearing, and ask that this written submission be considered.

I wish to talk to the main points in my written submission at the hearings to be held between Tuesday 1 June and Friday 11 June 2004.

On behalf of the North Beach Community, Community Connection Nga Ngaru Trust would like to request that the additional funding required to finally complete the entire refurbishment of the War Memorial Hall be considered for allocation in the 2004/2005 Annual Plan Budget.

Due to increased building costs the most "community parts" of the entire upgrade, namely, the deck and the partitioning between the proposed café area & the stage area have been deleted from the project.

These features would be a great loss to all involved.

Thank you for your commitment to this project. Your consideration is greatly appreciated.

Kind Regards

Kim Money (Chairperson)
