

~~The~~ Lake Isaac.
What a wonderful gift to Christchurch

With a grandfather who was
a champion rower in the
late 1800's, I feel that there is
still no rowing course within
an easy drive of Christchurch
for young people who wish to have
a real chance at excel at this
sport. Kerr's Beach is so crowded
each day & is tidal.

I would like to endorse
the forming of Lake Isaac
for all water sports.
