

Capital Endowment Fund

Background

In April 2001, the Council set up a Capital Endowment Fund of \$75 million. This fund was established using a share of the proceeds from the sale of Orion's investment in a gas company. The Fund is to provide an ongoing income stream which can be applied to economic development and civic and community projects.

The terms of the Fund require that the capital sum is inflation protected on a quarterly basis. The policies relating to the Capital Endowment Fund are set out in Council resolutions dated 23 March 2001 and 12 July 2001 and as published in the 2002 edition of the Council Financial Plan and Programme.

Funds are managed in accordance with Council's Investment Policy.
