|                  | I enthusiastically support the concept of a Christchurch perimeter walkway. Over the past 10 years I have explored many sections of this proposed walkway on guided trips with botonists, zoologists and geologists. Besides the natural environment, it was fascinating to observe the architecture and gardens in a variety of suburbs of Christchurch. The council are doing a great job setting up walkways and cycleways, and promotion of a ChCh perimeter walkway would be the icing on the cake. |  |  |  |
