Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	Has there been any budgeted funds allocated to the construction of the New Brighton artificial surf reef? Surf reefs have been viewed positively by other cities (Mt Maunganui, Opunake, Wellington) as both recreational facilities and draw cards to tourists. Admittedly the construction of such reefs is still in its infancy within New Zealand and many eyes are awaiting to view the success of the Mt Manganui reef before committing to the expenditure but I feel the project would have great value to the community and warrants inclusion in the draft community plan.
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	Do you have any other comments or suggestions you want to make?
