

Our Community Plan Submission Form

Instructions

Please read before completing your submission

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

It will help us if your submission also refers to the page of either the full version or the summary version.

Please note: We are legally required to make all written or electronic submissions available to Councillors and to the public. This includes the name and address of the submitter. All submissions will be published on the Council's website from 10 May 2006.

No anonymous submissions will be accepted.

Questions

See list of major projects in the summary document

- ① Do you have any comments on the major projects in our draft Community Plan? page number 18
 CLOSING REDWOOD BISHOPDALE & SPREYDON LIBRARIES
 WITH DRAWL OF MOBILE LIBRARY

It is my opinion that you of the Council have the above suggestions wrong.

All of these services are being used & would cause great distress if they were closed. Not all of us have means of transport to go to the main library.

- ② Do you have any comments on groups of activities (the activities and services that Council provides)? page number 1
 REDUCE THE NUMBER OF ISSUES OF THE COUNCIL'S PUBLICATION CITY SCENE
 I should suggest that these publications are a complete waste of time & money. There is no need for them - houses never met anyone who has read them! - the newspaper reports are sufficient.

YOU QUOTE CHRISTCHURCH HAS A VIBRANT CENTRE

This is a false & incorrect statement. The City Centre is dying & dead & the way the Council is dealing with it is heading towards a serious outcome.

- ③ Do you have any other comments or suggestions you want to make? page number 1
 you suggest increasing off street parking charges.
 I have always shopped in the City Centre but you have allowed places such as the Dover Centre to grow - to the detriment of the City - which is forced on, the public, to now shop there - large areas of free parking.
 you are killing the City Centre by allowing these malls.

You may add more pages if you wish. Thank you for your submission.
