

**Please read before completing your submission**

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please check the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

It will help us if your submission also refers to the page of either the full version or the summary version.

**Please note:** We are legally required to make all written or electronic submissions available to Councillors and to the public. This includes the name, address and contact number of the submitter. All submissions will be published on the Council's website from 10 May 2006.

**No anonymous submissions will be accepted.**

<b>Your Comments:</b>	Council Controlled Organisation - Central Plains Water Trust  "The MHPS opposes any future funding for the Central Plains Water Trust or Central Plains Water Ltd by the Christchurch City Council, CDC, CEDF, CCHL or any other CCC entity. After two independent financial companies expressed concern over the unknown financial risks to the council, SDC declined to include CPW's debt-funding proposal in its LTCCP. The society feels that the financial risks to the CCC are just as great and oppose any debt-funding arrangements. We request the opportunity to speak to, and expand upon this submission."
