Our Community Plan Submission Form

Instructions

Please read before completing your submission

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

It will help us if your submission also refers to the page of either the full version or the summary version.

Please note: We are legally required to make all written or electronic submissions available to Councillors and to the public. This includes the name and address of the submitter. All submissions will be published on the Council's website from 10 May 2006.
