1

Services or activities reductions proposed.

Do you have any comments on the major projects in our draft Our Community Plan? page number 3

Do NOT close Bishopdale Spreydon, Redwood & Mobile libraries + maintain the Sockburn, Edgeware, Belfast, Templeton & Woolston swimming pools. These areas are already disadvantaged & the residents do not have a lot of discretionary spending money. The areas will become ghettos of the underprivileged. Do not destroy what community assets there are. Libraries are the fine line between civilization & barbarism.

2

Do you have any comments on groups of activities (the activities and services that Council provides)? page number

The drift to suburban malls is irreversible - don't waste large sums of money trying to improve the central city. Keeping it clean and well policed would be a huge improvement. The character of Christchurch central city has already been destroyed by destruction of old buildings which gave an harmonious feel to the whole. Now it is just a mish-mash with a few remaining genuinely heritage buildings. All my overseas visitors are impressed by the Squalor of the City Mall & Square.

3

Do you have any other comments or suggestions you want to make? page number

Increase city parking rates. Publish City scene quarterly. It would be a huge relief to Christchurch citizens if our Councillors could get their act together and do the job they have been elected to do - listen to the voice of the people who elected them and stop wasting money on stupid projects e.g. The South library does not want an expensive sculpture - other libraries need services.

We don't need any more sister cities either - they are just an excuse for the Mayor to grandstand.
