

# Our Community Plan Submission Form

## Instructions

### Please read before completing your submission

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

It will help us if your submission also refers to the page of either the full version or the summary version.

### Questions

- ① Do you have any comments on the major projects in our draft Community Plan? page number **4**
- Spend less on the bus exchange, civic offices and tree renewal.
- Rather than renovating city mall make city parking free for up to 3 hours which would revitalise the city centre.
- ② Do you have any comments on groups of activities (the activities and services that Council provides)? page number
- ③ Do you have any other comments or suggestions you want to make? page number **8**
- I DO NOT want the mobile library withdrawn. It means not having to travel by car to the library for many people therefore reducing pollution and increasing health. It is also a great benefit for older people who can no longer drive. If the council wants to save money in the libraries they could extend book lives rather than removing them from circulation so quickly.

You may add more pages if you wish. Thank you for your submission.
