Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	<p>ESSENTIAL PROJECTS (Page 4) I wish to see considerably less than \$59.5m spent on any new or revamped bus exchange, along with a better-researched and less hasty decision than was made with the current one. To be in the position we find ourselves in, after such a short time, shows a lamentable lack of vision, inept management and a scandalous waste of taxpayers' money.</p> <p>DISCRETIONARY PRIORITY PROJECTS (Page 4) Christchurch is, in my opinion, well catered for in the way of leisure centres and is in no need of any more in the 10 year time span. Save the \$12.5m</p> <p>SERVICES AND ACTIVITIES' REDUCTIONS PROPOSED (Page 8) I strongly oppose any closure of any of the libraries mentioned. For the saving of a relatively small sum, the impact of the loss of this service on such a large part of the community, can in no way be justified.</p>
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	Do you have any other comments or suggestions you want to make?
