Libraries - spreendon library to stay

Mobile library - alot of people that cannot get out need a mobile service. The savings are too small to close libraries these are important for our community.

- ② Do you have any comments on groups of activities (the activities and services that Council provides)? page number **19**

I don't like the wastewater out in the sea. I would prefer a more expensive option and would rather pay through rates. In the future it will come back to bite. Not for us but maybe our children or grand-children.

- ③ Do you have any other comments or suggestions you want to make? page number

I don't want council spending excess money on their own surroundings. Its only a place of work. we cannot always have what we want. our children come first. This is how I would like council to approach their spending in relation to the city. Their needs are last

You may add more pages if you wish. Thank you for your submission.
