### Questions

See list of major projects in the summary document

1 Do you have any comments on the major projects in our draft Our Community Plan? page number 9

*It concerns me the money to be spent getting the people back into the central city. With the increasing fuel costs to motorists will go to their nearest mall where there is free parking, banks, supermarkets & all the shops needed for the family convenience.*

*City parking increase will keep them away more.*

*The rate increase for superannuation rate payers will be hard with the waste cost yet to be settled.*

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number

*Libraries are a valuable service to our community it would be cruel to close them to the public & for the access - of computers or the internet as there are many of us who are unable to have our own.*

*Swimming pool closure would be sad for many young & old.*

*Both Libraries & pools are needed for the public please keep them open.*

*The money for lighting the Cathedral would be better used here.*

3 Do you have any other comments or suggestions you want to make? page number

*The square would in my eyes attract more tourist if the stalls & caravans with quick food were moved to the art Centre or the weekly markets. Leaving the square neat & tidy for the visitors.*

*The money to be spent for lighting the Cathedral could be better spent on more ~~new~~ necessary (e.g.) keeping suburbs library open; or waste issue.*

For office use only
