### Questions

See list of major projects in the summary document

- ① Do you have any comments on the major projects in our draft Community Plan? page number

our Rates have gone up too much and when I ask for the range details of where money is spent no one gives or is able to give good reason of details.

- ② Do you have any comments on groups of activities (the activities and services that Council provides)? page number

therefore I object to large expenditure of money sewer work ie sludge processing  
I also object to a new Council chambers you have already a very nice place, Warm & clean no need at all you have also taken a stance as if you are getting feed back from a large amount of people this is also never catalogued and therefore could be rubbish.

- ③ Do you have any other comments or suggestions you want to make? page number

you also seem to be paying someone who is totally incompetent at assessing what things cost as you always change it and put the price up. The outfall, Bus exchange, unused Art Gallery, Museum improvement and the list could go on and on. you need to realise your ratepayers

Can not afford your ridiculous management of this once great city.
