Carrying a muffer bag - looking for a rubbish tin!

The call centre - needs to be more efficient - trying to get to the appropriate area & person takes too long.

DOG TRAINING - DOG PARKS -

Dog number control - Housing.

- ① All new owners to do a dog training course - teaching the dogs to behave + bark appropriately etc
- ② Council to tighten number of dogs - 1 per household.
- ③ DOG PARKS no dogs on the streets.

There are an overwhelming number of totally irresponsible owners - spending a lot of time on foot - almost daily - witness or experience dog issues -

- ① many without leads.
- ② remaining at gates or along street fences.
- ③ - Crying or whimpering (left to upset the neighbours).
- 4) Owners who simply don't care if their dog jumps on you - & says it's OK.

The whole issue is NOT about breeds
All dogs have the potential to bite!

I believe by getting either training or parks, it would sort out the genuine ones as opposed to people who buy and/or obtain a dog from a pet store purely on an emotional whim -

- ④ large dogs not allowed in ownership flats etc
- OVER! —

In the past months I have written many letters to Owners asking them to stop their dogs from barking day & night - some left for the week-end! I have always found the Dog Control procedure in Christchurch totally ineffectual

- As a rate payer - I have the right to walk the streets & feel safe. In Dec 2001 2 weeks ago I built Jerry's Cross dog ran out of a drive on the hill & waded at me! - luckily the owner came. A few weeks before that, I was assaulted by a man asking him to put his dog on a lead.

Fines are NOT the answer - stricter controls are.

Dogs on BEACHES

A huge problem also - as a Surfer I have been disgusted this year - Banned notices totally ignored

(so small notices hardly been seen).
Again FINE that is laughable.

What about a short electric fence!

LEAKY HOMES

People who are unfortunate enough to live a leaky home syndrome - should not expect the rate payer to cough up - We aren't lucky enough in the beginning to have a krew here - The Owners. Builders architect etc - are responsible Rate payers money should not be used.

HYGIENE PUBLIC TOILETS

PUBLIC TOILETS to be cleaned thoroughly
eg. Takapu & Park at Waimairi beach.
- And they need to be cleaned frequently
- Water blasting the floor is not hygiene.
- Numerous complaints have been made to council regarding this issue
- Some-times I have been passed between 5 people? (pass the bucket).
Takapu & Waimairi - are high use areas - the latter - particularly during the Summer.
